Since 1972, the Hollenbeck Police Business Council, (a.k.a., the Hollenbeck Youth Center), and the Inner-City Games Los Angeles, have provided safe and quality after-school recreational, educational and entrepreneurial programs. The partnership has given thousands of at-risk youth an opportunity to become productive members of society and great Dodger fans. Its partnership with the Los Angeles Police Department, Hollenbeck Division is an example that community involvement can deter at—risk kids from gangs and violence.

Please join us at this very important press conference and help us spread the word on this vital and important service that the Hollenbeck Youth Center has provided to the communities of Los Angeles. For further information please contact Alex Delgadillo at (818) 628-0036.

***REFRESHMENTS, APPETIZERS AND ENTERTAINMENT WILL START AT 9:30 A.M.**
